Racks & Carriers - Bicycle Carrier, Hitch-Mount

Hitch-Mount Bicycle Carrier holds bikes securely off the back of your vehicle by mounting into a Hitch Receiver. The Carrier installs and removes in seconds, and also folds down to allow entry into the rear hatch. The Carrier holds any bike with a horizontal crossbar (men's style). Bikes without horizontal crossbars (women's style) require a Frame Adapter (sold separately-82207941). Carriers are available to hold two or four bikes.

Not recommended for off road use.

Bumpers - Off-Road Bumper

Steel high clearance bumpers are tough and heavily gusseted for strength and tough looks. The front bumper is designed to meet all Chrysler occupant protection requirements and is compatible with your vehicle's airbag system. The front bumper features a tubular grille guard, "Jeep" badge, and is also available with integrated Winch mount and production Fog Lamp mounting provisions. It is wide enough to provide fender protection but is narrower than the stock bumper while still allowing for use of the production tow hooks. The Winch is mounted low for protection, and does not restrict engine cooling. The rear bumper is styled to match the front, features tow eyes, and allows for use of the production hitch receiver. The textured Black finish is E-coated and powder coated to meet the industry's toughest corrosion requirements. Functional and Strong, these bumpers are just the ticket for your off road customers!

These products are designed to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident and are not intended to be used as a tie-down device.

III. WHAT IS NOT COVERED

MOPAR warranties do not cover any non-Chrysler LLC or non-MOPAR parts, components or equipment, such as a non-MOPAR radio or speed control. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of non-Chrysler LLC or non-MOPAR parts, equipment, materials or additives.

MOPAR warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence, or misuse (for example, driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which they are installed; or corrosion or damage caused by the use of caustic materials.

MOPAR limited warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

MOPAR limited warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owner's Manual.

MOPAR warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

MOPAR warranties do not apply to parts installed on a vehicle, that has had its odometer or emissions systems tampered with or disconnected, or that has been declared to be a total loss by any insurance company, or is rebuilt after being declared to be a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. Chrysler Motors LLC will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in the above paragraph.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES (CONT.)

MOPAR Limited Warranties do NOT cover any incidental or consequential damages connected with the failure of the part under warranty. *Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue.* Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by Chrysler Motors LLC, as set forth in the New Vehicle Limited Warranty. If your new vehicle limited warranty is restricted by Chrysler Motors LLC, coverage under your MOPAR Parts and Accessories Limited Warranties may also be restricted or denied.

IV. OTHER TERMS

- a. To the extent allowed by law, any implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the duration of these express warranties. To the extent allowed by law, if the parts are installed on a vehicle used primarily for business or commercial purposes, no implied warranties apply. **Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.**
- b. These warranties are the only express warranties made by Chrysler Motors LLC for MOPAR Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy.
- c. NO person, including a dealer or employee of Chrysler LLC or Chrysler Motors LLC, has the authority to vary or change these warranties.
- d. Michigan law governs this warranty to the extent allowed by law. Interpretation of the terms of this warranty must be done using Michigan law.

1. The accessories in this Catalog were designed, engineered and approved for use in the United States and may not comply fully with regulations in your country. Before ordering these accessories, please confirm that they meet all local regulations.
2. Special discounts, display items, promotional offers and supplier ship direct (SSD) shipments apply only to the United States.

MOPAR PERFORMANCE WARRANTY

NOTICE

Federal and many state laws prohibit the removal, modification or rendering inoperative of any part or element of design affecting emissions or safety on motor vehicles used for transporting persons or property on a public street or highway. Violation may result in a fine of up to \$27,500 per vehicle. Mechanical and/or electronic performance parts listed in this catalog cannot be used on vehicles used on public streets or highways. These parts may be used only on vehicles used solely in sanctioned off-highway events. No other applications are intended or implied. Those parts that have been granted an exemption by the California Air Resources Board (CARB) or meet the EPA requirements of memorandum 1A are legal for highway use in California, New York and Massachusetts and are noted as such.

NO PARTS WARRANTY – “AS IS”

Mopar Performance parts are sold “as is” unless otherwise noted. This means that parts sold by Mopar Performance carry no warranty whatsoever. Implied warranties, such as warranties of merchantability, are excluded. (An implied warranty of merchantability means that the part is reasonably fit for the general purpose for which it was sold). The entire risk as to quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair. Dodge, Chrysler and Jeep® vehicle and parts warranties are voided if the vehicle or parts are used for competition. The addition of performance parts does not by itself void a vehicle's warranty. However, added performance parts (parts not originally supplied on the vehicle from the factory) are not covered by the vehicle's warranty, and any failure that they may cause is also not covered by the vehicle's warranty.

EMISSIONS STATEMENT

Federal law requires emissions parts on new vehicles to be warranted for at least two years or 24,000 miles, whichever comes first. Federal and many state laws also prohibit the removal, modification or rendering inoperative any part that affects emissions or safety on motor vehicles used on public streets or highways.

Many Mopar Performance parts are designated for track use or off-road use only. Installation of certain components may bring the vehicle out of compliance with safety and/or emissions standards. Mopar recommends that vehicles with parts designated in this fashion not be operated on public roads. Mopar Performance customers are responsible for complying with applicable state and local environmental regulations.

Additionally, certain performance parts may affect the emissions characteristics of the vehicle. If you install them on the vehicle, and your vehicle consequently fails a required state or local I/M (inspection and maintenance) emissions test, including any test required to maintain or renew your vehicle's registration, or if your vehicle is subject to an emissions recall, Chrysler LLC may not be required to repair your vehicle under the emissions performance warranty, and you may be required to remove those parts at your own expense in order to obtain repairs necessary to pass the I/M test or to perform the recall.

NOTE — CALIFORNIA ONLY

The emissions laws and regulations of the state of California apply to all non-racing vehicles operated in California. Consequently, those parts marked in this catalog with an asterisk and appropriately marked on their packaging may legally be used in California only on a racing vehicle that will never be operated on public roads.

PARTS ORDERING AND INQUIRIES

The parts in this catalog may be ordered from authorized Chrysler, Jeep and Dodge dealerships or the speed shops carrying the Mopar Performance line of products. When a part ordered has been superseded, the replacing part will be shipped automatically. The price of the replacing part may differ from the ordered part.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler LLC reserves the right to make changes at any time, without notice or obligation, to the information contained on this printed document, including and without limitation to prices, specifications, equipment, colors, materials, and to change or discontinue products.
